REGULATION UPDATE

**Automotive
Maintenance &
Repair
Association**

September 2016

STATE: PROPOSED NUMBER:

CA 2016 CA 23646

AGENCY: **State and Consumer Services Agency/Department of Consumer Affairs/Bureau of Automotive Repair**

TOPIC: **Advertising - Clarifies that mobile automotive repair dealers must register with the Bureau and be subject to laws and regulations relating to automotive repair. Adapts existing advertisement requirements for automotive repair dealers (ARDs) to the mobile ARD business model in terms of what and where certain business information must be displayed to customers. Requires mobile ARDs to provide every customer with a copy of an official ARD sign. Updates the forms of advertising any repair technician may use, and by such use be deemed an ARD for purposes of regulation, to include the Internet.**

AGENCY: Department of Revenue/Division of Sales and Use Tax

TOPIC: Tire and Battery Fees- the purpose of the proposed amendments to Rule 12A-12.001, F.A.C. (New Tire Fee), is to: (1) reorganize the rule to improve readability and simplify provisions regarding the new tire fee; (2) clarify that the fee is applicable when a new motor vehicle tire is sold to a governmental entity or a tax-exempt entity; (3) provide that the fee is not to be marked up beyond the statutory rate; (4) clarify the term "motor vehicle" for purposes of the fee, providing examples of various types of vehicles and whether the tires sold for use on such vehicles are subject to the fee; (5) provide that tires used on racing vehicles that are not operated on Florida highways are not subject to the new tire fee; (6) revise the suggested exemption certificate used to purchase tires for vehicles that are not subject to the fee; and (7) put dealers on notice of the requirement to maintain the exemption certificates in their records.

The purpose of the proposed amendments to Rule 12A-12.0011, F.A.C. (Battery Fee), is to: (1) reorganize the rule to improve readability and simplify provisions regarding the lead-acid battery fee; (2) clarify that the fee is applicable when a battery is sold to a governmental entity or a tax-exempt entity; (3) provide that the fee is not to be marked up beyond the statutory rate; (4) adopt the revised provisions of Rule 12A-12.001, F.A.C., regarding the definition of "motor vehicle" for purposes of the fee; and (5) clarify the definition of a "new" lead-acid battery and a "remanufactured" lead-acid battery for purposes of the fee.
